

# YOU TAKE CARE OF ME, NO MATTER WHAT. YOU ARE MY FATHER.

You don't have to live with your children or their mother to play a positive and meaningful role in their lives.

Stay interested in your children's schooling and their health, take the time to play and spend time with them, respect their mother and raise them without violence, in addition to providing financial support. As their father, there's a lot you can do show that you care.
